2 hours for attendees to answer Hunter Challenge questions

30 minutes post Challenge to answer questions

TESTIMONIAL

"It was equal parts fun, challenging and educational! I really appreciated the chance to participate in a hand-on exercise that focused specifically on the security aspects of the platform. I find this type of approach to be vastly more effective than traditional style training."

All levels of expertise are encouraged to participate and no prior knowledge of ExtraHop's platform is necessary.

ABOUT EXTRAHOP NETWORKS

ExtraHop provides cloud-native network detection and response for the hybrid enterprise. Whether you're investigating threats, ensuring the availability of critical applications, or securing your cloud investment, ExtraHop's breakthrough approach helps you rise above the noise so you can protect and accelerate your business.
